

Bingo Card Nature Hike

(recommended for ages 5–10)

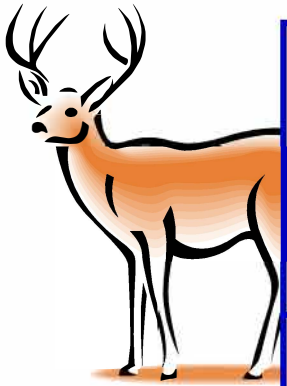

This activity can be done in a variety of places. Take a walk in a local park, your backyard or a tree-lined street.

1. Print off copies of the Bingo Card (next page) for each child or one to share and work as a team.
2. If you have a laminator, you can laminate the cards and they can be reused with dry erase markers.

Directions

1. Have children look for the items on the card. Find all of the items in a straight or diagonal line to get bingo.
2. If you have enough time, try to find all the items on the card!
3. Please discourage children from picking flowers, leaves or other living plants. Please return all items that you find to where you originally found them. Everything is a resource for many living creatures!

STICK SHORTER THAN YOUR ARM	TREE WITH FRUIT ON IT	VINE	NUT	LOG
YELLOW FLOWER	TREE BIGGER AROUND THAN YOU	FLAT ROCK	SPIDERWEB	ANIMAL HOME
SMALL ROCK	FLOWER BLOOMING	FREE SPACE	TREE WITH BUDS	STICK LONGER THAN YOUR ARM
